Tom Tremble
VP, State Government Relations
and Regional Affairs
AdvaMed, Washington DC

The new federal Healthcare Reform Law has many implications beyond healthcare delivery. This seminar is going to examine the issues directly related to the medical device industry. Mr. Tremble will discuss the device tax, comparative effectiveness, physician payment sunshine and other aspects of the new law and their potential impact on the industry with emphasis on device innovation. Mr. Brimeyer will discuss the ramifications the recent healthcare legislation will have on the major healthcare sub-sectors in general and the medical technology and device sector in particular.
